Read:—

Letter No 6759 dated 26th April 1899 from the Comptroller to the Government of Mysore,— submitting for orders duly verified and reported on, an application for gratuity on behalf of— Kalsa, late Octroi Peon of the Bangalore City Municipality

Order thereon

It is observed from the gratuity application that Kalsa commenced his service as — Octroi Peon in the Municipality of the Civil and Military Station of Bangalore on 22nd April 1882 when he was 39 years of age and was transferred to the Bangalore City Municipality on the 1st April 1887 when his age was 44 years and on 6 August 1897 retired therefrom on Medical certificate of unfitness for further service. The service rendered

rendered by him in the Station Municipality is 4 yrs 11 m 9 days and that in the City Municipality 10 yrs 4 m 6 days. The former service being less than 5 years, that Municipality have refused to bear any portion of the gratuity payable to him on the combined service. Under the strict letter of the Code the Peon is not entitled to any gratuity for his City Municipal service ~~rendered in consequence of his having commenced~~ as that service dates from after 1st April 1880 and after he attained the age of 40 years — Vide article 235 of the Mysore Service Regulations. But the Comptroller regards it (the City Municipal Service) as qualifying service by treating the date of Kalasa's entry into the service of ~~the~~ the Station Municipality as the date on which he commenced his qualifying service, rejecting however, the service rendered in that Municipality

either

as non-qualifying acct —
certifies to a gratuity of Rs. 25/-
for 10 years. 4 m. 6 dys. service
rendered in the City Municipality
& computed at half month's pay
for each completed year of service.

The Government are accordingly
pleased to sanction to him
the payment of the same,
Viz, Rs 25/-, the amount —
being debited to the Bangalore
City Municipality.

Note

With reference to the query put by the Hon. Councillor as to whether there is any thing to show that the man was transferred from the Civil and Military Station Municipality to the Bangalore City Municipality, it is respectfully submitted that the President of the City Municipality, who was asked on the point, now submits in original a file of papers referring to the separation of the City octroi Department from the Civil and Military Station Municipality which was effected in the year 1887. These papers show that Malasa was one of the octroi subordinates who were working in the Civil & Military Station

Municipality and taken over by the City Corpn: after the above transfer was effected. Although his transfer was subsequent to Rendition yet ~~he was~~ for the purpose of his being granted a gratuity for his City Municipal Service, the date of his entry into the Service of the Station Municipality may be regarded as the date on which he commenced his qualifying service, on the ground that the Octroi Depts: of the two Municipalities were being worked together by one Establishment.

The recent rules relating to Pensions & Gratuities to Municipal Servants, called for are put up & submitted with a fresh Draft for Approval. Subd to the Offg Secretary

Sir,

With reference to your letter No. 98 dated 1st. ultimo, I have the honour to inform you that under the provision of section 22 Bangalore Municipal Law 1897, it would be necessary were peon Kalasa still in the service of this Municipality to obtain the sanction of the Resident on the recommendations of the Commission to the grant of a gratuity or an annuity, and for this recommendation special reasons would be necessary. These Special reasons are absent in this case, and as it stands the man has no claim. Further when the peon was transferred he had not sufficient service to entitle him (Supposing the rules were in his favour) to any gratuity.

2. Under the above circumstances I am not prepared to recommend the payment of any portion of the proposed gratuity from the funds of this Municipality.
